

VISA ADVICE FOR MALTESE NATIONALS

NOTIFICATION FROM THE MINISTRY FOR FOREIGN AFFAIRS AND TRADE PROMOTION

LAST UPDATE: 01 June 2019

Disclaimer:

The Ministry for Foreign Affairs and Trade Promotion is not responsible for the issuing of visas to Maltese nationals by foreign states. Visa requirements for Maltese nationals going abroad are invariably subject to changes by host countries.

The Ministry for Foreign Affairs and Trade Promotion endeavours to provide information available to it at the time of submission of the query. The information related to visa requirements contained in this document is only indicative, and is issued to assist Maltese passport holders. The Ministry shall not be held responsible for any variance in the information provided.

The applicant may wish to double-check requirements independently of this service.

It is the responsibility of the applicant to ensure that enquiries are submitted well in advance of the planned date of departure. Information should be double-checked closer to the date of departure prior to travelling to countries that ordinarily do not require a visa for Maltese passport holders.

Maltese Public Officers travelling abroad on official duty should always contact the Ministry's Consular Services Directorate at least 3 to 4 weeks prior to planned departure since visa requirements for official duty may vary from visa requirements for leisurely or business visits regardless of the list below.

A. General Information on visa free entry

- All travellers usually need a passport valid for at least 90 days following their departure date from countries, although this requirement may vary. It is strongly recommended to travel with a **6 month-validity passport at all times**.
- Most destinations require **at least 2 free pages** in any one passport, allowing for any necessary stamps upon arrival and departure.
- In accordance with European Union (EU) Legislation, all minors who are nationals of Malta are expected to hold their own passport or National ID Card (where applicable) when departing from an EU Schengen state.

It is the traveller's duty to always confirm if a **transit visa** is required for any connections. It may be the case that countries en-route to another destination require a separate transit visa.

Countries not visible in the list below generally require a visa.

Maltese nationals may wish to send an e-mail to consular.mftp@gov.mt or phone on 2204 2313 or 22042331 to enquire about their position.

B. Table I (List of No Visa requirements for Ordinary Maltese passport holders subject to certain conditions being fulfilled).

Austria		✓		https://www.bmeia.gv.at/it/roma/viaggi-in-austria/	Maltese nationals are allowed to enter and reside in Austria without requiring a visa. For stays of shorter or longer than 90 days, registrations may need to be made

				<p>according to the law of the country before the expiration of the 90 days. Carrying a Maltese valid Identity Card or an ordinary passport valid for the duration of your intended stay is sufficient as immigration police still have a right to request proof that you enjoy Schengen area rights, whilst should there be legal border checks, then you will still require such a document. Flight service providers will also require proof of identity. Given that no outward flight booking is required to be shown by EU and Schengen area nationals when entering, it is suggested that in the absence of such outward flight booking, the passport or ID card be valid for at least 90 days beyond the date of entry into the country.</p> <p>Please search for any obligation for registering your presence or other formalities, as EU national when visiting this EU State.</p> <p>https://europa.eu/youreurope/citizens/residence/documents-formalities/registering-residence/index_en.htm</p> <p>If you move into an apartment or a house in Austria, you must register with the competent registration authority within three days of moving in.</p> <p>Failing to register is an offence. Australia		✓	http://www.immi.gov.au/Visas	Maltese nationals usually require an Electronic Travel Authorisation (ETA – Subclass 601) prior to travelling to

(Some conditions and extra procedures apply)

Australia for tourism or business purposes for stays of less than 90 days. This ETA is not a visa, but an obligatory application which informs Australia's Department for Immigration and Border Protection of one's arrival prior to boarding the flight. An ETA allows activities such as attending a conference, making business enquiries, or contractual negotiations, however, it is not a work visa.

The link to an **ETA** (subclass 601) application, may not be currently open to Maltese passport holders for technical reasons given that the web-link of the Australian Immigration authority may be limiting the ETA's use to holders of passports from Brunei, Canada, Hong Kong, Japan, Malaysia, Singapore, South Korea, and the U.S.A.:-

<https://www.homeaffairs.gov.au/trav/visa-1/601->

For this reason, it is currently being suggested by the Australian High Commission that Maltese passport holders make use of other options for short stays of less than 90 days, such as the **E-Visitor Visa (Sub-class 651)** which allows you to visit Australia as often as you wish in a 12-month period, with a stay of up to 3 months each time you enter Australia.

<https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-finder/visit>

For visits of **longer than 90 days** for tourism or business, one will require a Visa. Please follow this link for a Visitor Visa (subclass 600) application:-

<https://www.homeaffairs.gov.au/trav/visa>

> <https://www.homeaffairs.gov.au/trav/visa-1/600->

For stays of longer than 90 days, or for other purposes than for tourism or business, Maltese nationals will require a visa. To discover your options and costs, please visit the Australian Government's Department of Home Affairs' website:-

<https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-finder>

You may wish to note that the Australian High Commission does not issue visas nor is it responsible for overseeing ETA applications. Kindly visit the Australian High Commission's website for more information:-

If you ever require to remain in Poland for longer than 90 days, you will need to register your residence in Poland no later than the day after the end of the period of three months from your arrival. In order to register your residence, you should visit the offices of the Provincial Authority responsible for your place of residence. Persons not in employment (such as pensioners and self-sufficient persons) must present the following documents to prove they have sufficient means to support themselves: for example, a credit card or a certificate confirming that they have funds in a bank or other financial institution, stamped and signed by an authorised employee of the bank or institution concerned and issued no earlier than one month before the residence registration application is submitted. You do not have to carry the residence registration certificate with you at all times. Failure to register your residence is punishable by a fine.
